Re: Complaint of Access Integrated Network, Inc. Against BellSouth
Telecommunications, Inc. , and
Complaint of XO Tennessee, Inc. Against BellSouth
Telecommunications, Inc.
Docket No. 01-00868

Dear Ms. Woodruff :

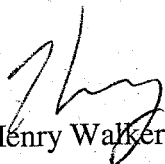

I just wanted to let you know that Guy Hicks called me on Monday afternoon suggesting that the two of us call you to ask about the scheduling of the AIN and XO complaint cases. Because I was in the middle of other matters, I told him that I did not have time to join in the call but encouraged him to go ahead and make the inquiry on behalf of both of us. He then called and left a message asking about the hearing date.

We will, of course, honor your request that all future oral contacts will be made either to the Executive Secretary or, if made to you, will include all parties on the call. For the record, though, I thought you should know that Guy did talk to me prior to the call and made the call himself with my full knowledge and consent.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
